Dear valued TUBIE customer,

The ironing result will be the best if the inflatable shirt cover fits to the size of your shirts perfectly. Therefore we kindly ask you to let us know the size of your shirts when ordering. If you don't inform us about the size, we will deliver size XL. With this size most shirts can be ironed properly.

For individual requirements we offer inflatable shirt covers in various sizes. On request we can also produce customized shirt covers.

Enjoy ironing with TUBIE,

your TUBIE team!
